PROFILE SUMMARY

I am a fourth-year Digital Arts student at PHINMA Cagayan de Oro College with a strong passion for graphic design, digital illustration, and multimedia design. Through academic and personal projects, I have developed skills in visual communication, branding, photo editing, and creating engaging digital content. I am a creative, detail-oriented, and adaptable individual who enjoys transforming ideas into impactful visual designs. Eager to learn and grow, I am seeking opportunities to apply my technical and artistic skills while contributing to a dynamic and collaborative creative team
